Summary: Just read it and dont be a flamer. Title explains everything else. Rated T for just in case

1. Chapter 1

Things to do in Halo

Kill everything you see(yes that includes inanimate objects)

Try to assassinate everything and if you don't then restart and try again

T-bag everything while it is still alive

T-bag everything after you kill it

Jump from dead body to dead body

Role play while pole playing while pretending to play GTA

Kill Sergeant Johnson

Look for glitches, and when you find one send it to Bungie and tell them the game is messed up

Jump off cliffs

Get the highest killing spree you can with dual wield plasma pistols

Beat down ****EVERYTHING ****including your team mates

Dance on everything

Pole dance while flying with a jetpack

Only use a pistol in the campaign or the hardest difficulty

Look for the Arbiter on Halo Reach

Ask an elite for bacon and when they attack you run and jump off a cliff

Kill your team when playing Lone Wolf on Halo 3

Play Grif ball with a Grunt

T-bag a hunter

T-bag Emile

T-bag Jorge

Pretend everything is a zombie and only go for headshots(including hunters)

Pretend you're flying a plane and pretend your pistol is a chain gun

Fly a falcon with noble team on it over a cliff and hop out using your jetpack to fly back to safety

Use a shotgun for a long range weapon and a sniper for a short range weapon

2. Chapter 2

Things to do in any Halo game

Pretend you're Caboose from RvB and kill everybody on your team

Pretend you're a freelancer from RvB and act like a bad ass

Pretend that your Emile and only use a shotgun

Pretend you're a cat and try to climb a tree

Pretend you're a dog and try to bite everything

Stare at Emile and when he says something kill him

Talk to any of the characters

Kill Miranda

Kill the Arbiter

Kill yourself

Act like a baby online

Tell everybody you're a hacker

After doing the above on an online match play as bad as you can and

call them hackers

Get a life and buy a house in the campaign

Destroy all the vehicles and make everybody walk

Run past all your enemies and turn around then run backwards

Try to act like an alien and kill the humans]

After killing the humans proceed to t-bag them

After the above kill all the aliens with a plasma pistol

After the above t-bag all the aliens

After the above kill yourself by fall damage

Role play online

Act like your link and only use an energy sword

Pretend you're indestructible and run into a wall\

Actually do everything I listed

End
file.
